Dealer notes

Experience the pinnacle of modern electric driving with the outstanding 2024 Tesla Model Y Long Range AWD. Draped in a sleek, sophisticated Stealth Grey exterior, this all-electric crossover immediately commands attention on the road. Combining cutting-edge automotive design with daily versatility, this vehicle is the premier choice for buyers seeking a smart, stylish, and sustainable upgrade to their daily commute. Beneath the chassis, this model is powered by an advanced dual-motor All Wheel Drive system that delivers exceptional traction and stability in all weather conditions. Without a traditional combustion engine, the all-electric powertrain offers instantaneous acceleration, a whisper-quiet ride, and remarkable efficiency. The Long Range capability ensures you can travel further between charges, making road trips seamless and daily driving completely stress-free. Step inside to discover a premium Black interior designed with a focus on modern minimalism and passenger comfort. The spacious cabin is anchored by an expansive panoramic glass roof and a massive central touchscreen hub that intuitively manages navigation, climate, and entertainment. With its combination of advanced standard safety features, flexible cargo space, and striking design, this 2024 Tesla Model Y Long Range AWD in Stealth Grey represents the future of family utility and electric performance.
