Dealer notes

2021 Kubota L2501 4x4 HST Diesel Tractor. This pre-emission (no particulate filter or def) 25.5 Horsepower tractor is so close to brand new You could not tell it apart from a new one. 54.8 hours on this unit still has the nubs on the R4 industrial tires. Zero wear and tear just had the \$600 50-hour service performed at the dealer and still has the cover on the PTO shaft. Loader can be added easily on this unit but it is a perfect lawn tractor the way it is set up now put this thing on your land or farm and go to work. This one is just like buying a brand new one and saving thousands plus no setup fees or huge bs dealer fees. It still has the delivery sticker on it. This is the one the needle in the haystack.
