Dealer notes

Ford's Flagship heavy duty pickup creates the perfect balance of premium comfort and every day drivability with rugged capability. Under the hood, Ford's reliable 6.7L Powerstroke Turbodiesel produces 440 horsepower and 860 lb-ft of torque, good for a 14,000 in conventional tow capacity with fuel of economy of up to 23 mpg under ideal conditions. The white exterior looks impressive with 18-inch alloy wheels and new Falken Wildpeak All-terrain tires. This Florida truck has 2 previous owners, 19 service records and no accident history.
