Dealer notes

3.0 EFI V6 engine, A/C and heater are in working condition, 4 wheel disc brakes, Toyota alum alloy wheels, very good rubber all around. This vehicle does have high miles, however, it's a Toyota Avalon (Camry) and it does run and ride well. The interior is in pretty good condition (aside for a tear on the center arm rest). The exterior is showing some signs of wear, but is not bad at all. If this sounds like something that you may be interested, come on by the lot and take a closer look and a test ride so you can make a more informed choice. Price does not include \$0 processing fee
