Dealer notes

At McMar Cars, we specialize in helping people with bad credit, no credit, or past bankruptcies get approved for reliable vehicles. We operate by appointment only so every customer receives a personalized, no-pressure car buying experience. Unlike "buy here pay here" lots, we work with traditional nationwide finance companies to secure real auto loans that can help you rebuild your credit while driving a quality car. **Transparent Pricing** * The advertised sales price reflects our cash discount and outside financing options. * Taxes, tag, and title fees are not included and are due at signing. **Financing for All Credit Types** * We offer auto financing, including options for bad credit, no credit, repossessions, and bankruptcies. * Interest rates start as low as 6.99%, with down payment options as low as \$0 (subject to approval). * Everyone is encouraged to apply, and approvals are possible even if you've been turned down elsewhere. * Apply today through our secure online application at <http://McMarCars.com>. Don't let bad credit hold you back from getting the car you need. Call or TEXT us at 404-209-0048 to check availability or schedule your appointment.
