Dealer notes

Step into a legendary blend of rugged capability and refined style with this stunning 2004 Toyota 4Runner Limited V8. Finished in the eye-catching Pacific Blue Metallic exterior paint, this premium SUV stands out on the road while showcasing the classic, muscular stance that has made this generation a modern classic. Known for its unmatched durability and strong resale value, this Toyota 4Runner offers buyers the ultimate combination of daily-driver utility and adventure-ready design. At the heart of this vehicle is the formidable 4.7L 8-cylinder engine, a powerhouse powertrain renowned for its smooth power delivery, reliability, and excellent towing capability. Paired with a responsive automatic transmission, this V8 engine provides confident acceleration whether you are merging onto the highway or tackling steep grades. To complement this power, the suspension features X-REAS shock absorbers, a specialized technology designed to cross-link the dampers, significantly reducing body pitch and roll to deliver a remarkably stable and comfortable ride. Inside, the cabin features a comfortable Taupe interior designed to keep you and your passengers relaxed on long journeys. The driving experience is elevated by premium amenities, including a power tilt/slide moonroof for open-air enjoyment and the high-fidelity JBL Synthesis 3-in-1 audio system with an integrated 6-disc CD changer. Standard safety is bolstered by front seat-mounted side-impact and overhead front/rear side curtain airbags to provide peace of mind. Complete with a sporty rear spoiler that adds a touch of aerodynamic flair, this 2004 Toyota 4Runner is a rare find that successfully bridges the gap between premium passenger comfort and V8-powered capability.
